I wish to express my sincere appreciation to the Children of the American Revolution, The Daughters of the American Revolution and others for the marvelous cooperation given me to make this District Meeting a success. "Special thanks are due to Mrs. Herbert W. White, Jr. for the lovely topiary trees on the tables. She was responsible for their creation for the SAR national congress in Portland." I thank the Compatriots of Oregon and Washington who made it possible for me to serve two years as the Vice President General of the Pacific District. At the congress in June Dr. Vance Senter will be elected Vice President General and I trust that you will give him the splendid cooperation that has been my pleasure to receive.

Benediction:

Rev. Wendell B. Tamburro
